

# How is Your Child Getting Home on the First Day of School?

Please return this form **TODAY** (if possible)  
or in your child's backpack on the first day of school. □

Please take a moment to let me know how your child is getting home on the **first day of school**. Many times, the way a child goes home on the first day differs from his or her normal routine. The information that you provide for me on the "End of Day Schedule" note will let me know how your child is to go home every day after, but this note will let me know for sure how your child will be going home on the first day of school only.
